A NEW KIND OF TRAILER WITH 50 NEW IMPROVEMENTS!

The All New SHASTA Airflyte is the boldest advance in travel trailers in ten years. It has new features so daringly different yet so basically sound that it will trigger a new trend. New size, new contour, new Airflyte design, new luxury features. Yet, since we build more travel trailers than any other firm in the world, the price is unbelievably low.

Why do people buy more SHASTA travel trailers than any other make? More beauty, more quality, more pride of ownership. For years the SHASTA name has signified a trailer created at the highest level of engineering science. Many thousands of SHASTA customers are enjoying the most abundant blessings of this ceaseless crusade for quality.
